Complete this screening daily before reporting to work on campus or a UNI leased property.

**Do you currently have any of the following symptoms:**
cough, shortness of breath, difficulty breathing, fever of 100.4 or above, chills, muscle pain, sore throat, or new loss of taste or smell?

**YES**

**DO NOT REPORT TO WORK**
If the answer to the question above is YES, you should not report to work. Please contact your supervisor as soon as possible to notify them that you will not be reporting to work today based on the results of this self-assessment.

Please contact hrs-leaves@uni.edu for information about leave options.

**NO**

**Have you potentially been exposed to COVID-19?** A potential exposure means being a household contact or having close contact within 6 feet of an individual with confirmed or suspected COVID-19. The timeframe for having contact with an individual includes the period of time of 48 hours before the individual became symptomatic.

**YES**

**DO NOT REPORT TO WORK**
If the answer to the question above is YES, you should not report to work. Please contact your supervisor as soon as possible to notify them that you will not be reporting to work today based on the results of this self-assessment.

You may be able to return to work after safety precautions are put in place.

Please contact hrs-leaves@uni.edu for information about leave options.

**NO**

If the answer to all the questions above is **NO**, report to work and sign the screening sheet.
